

RfQ_Bahula Programme_2021-22

Bahula: Enhancing Desert Crafts and Agri Dairy Value Chains

Request for Quotation: Vendor – Upgradation Of Milk Processing Unit

Dated: 2 November, 2021

Issued By

Programme Lead, Urmul Seemant Samiti

1. Brief Project Overview

Urmul Seemant Samiti is implementing project, Bahula across 50 villages of Bikaner and Jodhpur district, supported and financed by HDFC Bank Parivartan, with the aim of enhancing resilience of community by promoting the micro-entrepreneurial ecosystem and establishing green enterprises by consolidating and transforming farm and non-farm (wool based) value chain.

Under the programme, we are upgrading our milk processing unit to improve the milk handling capacity and enable product diversification and ensure value addition. The unit needs to be upgraded with the required machinery. This will advance the functionality and usability of the unit and enhance quality. The vendor shall procure and install the material for the various functions of the unit.

2. About Urmul Seemant Samiti

www.seemant.org

With the aim to empower village communities towards self-reliance, Urmul Seemant Samiti has been working since 1994 in western Rajasthan to develop a safe and enabling environment for people that ensures that their right to health, education and employment is respected and realized without discrimination and exclusion, with special focus on children and women. Striving for development in the most distant and underdeveloped villages of Bikaner, Jodhpur, and Nagaur district to ensure that people are empowered to decide, design, implement and eventually self-finance the package of development services which are made available to them under different projects. The organisation has been working towards breaking barriers for promoting desert centric social innovations.
